

Hello Competitors, Coaches, Volunteers and Parents! I am happy to announce that I will be the official photographer of the 2017 Region 6 Championships hosted by Rhythmic Art April 21-23 2017. It's my first time working this meet so I am excited to be a part of it.

Please tell your teammates participating about my photography. I don't want anyone who wants photos to be left out~ They are timeless memories.

My RG work can be reviewed here...

Parents must bring payment to me before their gymnasts rotation with a completed order form to have photos taken. Or be paid up online. I don't shoot everyone. It can be downloaded here...

online orders can be made here...

I will have order forms on hand at the site as well.

Also, I am cool with Parents photographing their daughter only on the completion floor. However, I would like to remind/reaffirm that I have an exclusivity agreement with the meets I photograph including this one. So if anyone is shooting anyone besides their child on the competition floor they will get shut down.

Other shots like group shots with teammates and awards are fine and I encourage everyone to take those. Leave the competition photos to me~

I don't have a problem with video~ Make sure you know the policy/rules before taking video though.

Please contact me with any questions! And let me know if you will or won't be signing up. It helps me estimate the workload. :) It will be fantastic to work with you again!

Big Thanks! Good Luck!!

James
